

In today's lesson, your child learned that **God is Good!**

A lot of people came to see Jesus. Jesus was kind to them, helped the sick people feel better, and told everyone about God.

It was dinnertime, and all the people needed to eat. They were very hungry, but there was nowhere to get food. Jesus asked His very good friends and followers, the disciples, to find some food. They found 5 loaves of bread and 2 fish.

The disciples did not think the 5 loaves of bread and 2 fish would feed all the people, but Jesus knew there would be enough food for all the people. Jesus prayed. He knew that God is Good and that God would feed His people.

Jesus passed out the food. All of the people had lots of food to eat. They were so full!!! There was even food left over!

God is Good! He loves and cares for the people. **God is Good!**
